INFORMATION DISCLOSURE STATEMENT

Sir:

The Examiner is respectfully requested to consider the reference which may qualify as prior art. For the Examiner's convenience, the reference is listed on the attached Patent and Trademark Office form PTO/SB/08a. Pursuant to 37 C.F.R. 1.98(a)(2)(ii), a copy of the cited U.S. patent publication is not included, but will be provided upon request.

This information is cited in a spirit of forthrightness and cooperation to enable the applicants to obtain that measure of protection for the invention to which there is entitlement. However, no representation is made that the listed art actually qualifies as prior art under the patent statute and the mere use of PTO/SB/08a is not an admission that all listed references are prior art. No representation is made that applicants know of the best art.

Respectfully submitted,
